Best Time:	Monday-Friday, 5PM-7PM

Rules of Conduct

None specified

Double Cone CWMU Description

The Double Cone CWMU rests on the Utah - Nevada border in Box Elder County. The Double Cone CWMU is a Basin and Range Unit. Its highest point is on the Nevada border (about **7200 feet**). To the north this drops away to 6000 feet and to the south it also drops away to 6000 feet also. The eastside decreases to **5500 feet** in the south and has about 6000 feet in the north. Typical of Basin and Range terrain there is generally an almost flat basin with small and large hills rising from off the basin.

The Double Cone Cooperative Wildlife Management Unit is composed mostly of three (3) land-cover types. First, about fifty percent (50%) of the land cover is Great Basin **Pinyon-Juniper** (37), second, about thirty-five (35%) is Inter-Mountain Basins **Big Sagebrush Shrubland** (48), and third, there are four (4) land patches of the **Agriculture** (114) land cover.
